

# Greenvale EYFS Nursery Home Learning Activities: Books, Books, Books!

Week beginning: 22<sup>nd</sup> February 2021

## Hello!

Hello everybody!

I hope you are all keeping safe and well. First of all, did everybody enjoy the snow? I hope you all managed to get a little bit of time to wrap up warm and explore the crunchy, white snow. If you haven't done so already, please send me lots of pictures of your Snow Days! World Book Day falls on Thursday 4<sup>th</sup> March and this is something we LOVE to celebrate, so I thought we would enjoy a whole variety of 'book' and 'story' activities together over the next 2 weeks.

Take care,  
Mrs Hall and the Nursery Staff Team  
xxx

## **Let's get building.**

Use blocks, tubes, boxes and other objects to create a 'place' from a story. It could be the bridge from 3 Billy Goats Gruff, a volcano from a dinosaur story or a house for your favourite characters. Send us your pictures to hang in our building den at Nursery!

Things to try at home. You can send pictures of these activities to Mrs Hall at

[nursery@greenvale.medway.sch.uk](mailto:nursery@greenvale.medway.sch.uk)

These activities are planned to cover 2 weeks of learning. Pop over to the website to find extra learning videos too.

## **Be a sound wizard!**

Before we can learn to sound out words and become word readers, we need to be experts at making different sounds. Share a story together, add sound effects to your story, these could be squeaking doors, animals or trip-trapping footsteps.

## **Listening time**

Pop on over to the school website and listen to some of the wonderful stories that have been recorded for you. What was your favourite part of the story? Can you remember what happened FIRST, THEN, FINALLY? Use the 'STORY TALK' words to help you?

## **Be a story changer!**

Read a story at home or use one from the website. Now have a go at changing it! Why not pretend you are in the story instead? If your story is about a cat, why not change it to a T-REX! Now retell your story! Ask an adult to write it down or record it to share with us.

## **Tell YOUR Story**

We are all experiencing a very strange time at the moment. However we feel right now, this will be something to look back on. I am attaching you a "LOCKDOWN LIFE" story to complete with your family bubbles.

## **Something Messy**

- shaving foam
- cornflour and water
- Paint

**Explore one of these sensory experiences. Use your hands to draw a picture from a story.**

## **Time for counting.**

Every time you read or listen to a story, colour in a box on your chart. How many have you read so far? Can you find that number?

## **Let's get making!**

Create a playdough model, picture or mask of your favourite character from a story. Take a picture of this and email it to nursery. Can you tell me 'why' you like this character? Can you tell me 'how' you made your picture?

## **Silly or Sensible**

Use the sentence building cards. Make a simple sentence. Say it out loud. Is it silly or sensible?

## **EXTREME READING!**

Find a book and take a photo of you reading it in a crazy way! You could be upside down, in the park, under the table! The crazier, the better! Don't forget to ping a picture!
