

This newsletter is especially for **Bat Class parents** – whole school information can be found on the school newsletter but this is just extra info related to Reception as this is their first year in school! We will send one out every half term ☺

Hello! We have had another fantastic term in Bat class learning about growth! We have focused on plant and animal growth ☺

Home Learning – you will notice your child has come home with a 'Home Challenge' pack – this is activities to complete at home with your child to extend their learning. This does not need to come back to school but please do email me any pictures of their work at:

FS@greenvale.medway.sch.uk

Bat Class Newsletter

Friday 28th May

P.E – We will continue to do P.E with the children on a Tuesday. Children are welcome to come to school on Tuesdays already dressed in their P.E kit for the day ☺

Sneak peek... next term we will be learning about Superheroes and will test out our decoding skills with some mystery messages!

This will lead into our final topic of Under the Sea where we will learning about pirates and sea creatures!

Just a reminder to please make sure your child does **NOT** bring any toys into school from home. Thanks

We must also say a huge THANK YOU to Sullivan's Mum who kindly brought in her frogs for the children to see and learn about! It was brilliant!

Thank you! If you ever have any worries or queries, please feel free to catch me on the gate, or request a phone call ☺ Miss Webber and the Reception team!
