Head lice

Polite reminder. Please can you check and treat your child's hair for head lice on a regular basis.

We do recommend that you tie girls hair up if they have long hair, as this helps to reduce the chance of catching them.

Thank you

School Uniform

As the warm weather is now upon us please ensure that your child has the following items in school every day:

- ◆ A sun hat.
- ◆ A water bottle, which may be left here and we will refill it each day.
- ◆ Any sun cream needed should be applied before your child comes to school.
- ◆ No open toe sandals and socks must be worn.

ActivAll Activity Board

You may have noticed the new addition to our playground on the wall by Rabbit Class. We are very excited to be offering the 'ActivAll' board for the children to be able to use. ActivAll is the fantastic high-impact reaction wall, designed for fitness, health, and fun. Combining movement, action, coordination, and problem-solving, it is acknowledged as a unique inclusive fitness tool, giving everyone access to exercise regardless of ability, age, or fitness. We are all enjoying beating our own high scores! We also have a portable board which can be connected to the outside board for extra competition!

School Photographer

Friday 18th June, we have the school photographer in again for this year's class group photos to be taken.

Your child will again come home with a piece of paper with a QR code. **DO NOT LOSE THIS**, as this allows you to pre-register for the photos. Once pre-registered you will receive an email notification for when the photos are ready to view and purchase through Stanley Baker the photographer.

New Website

The new school website and communications app are due to go live on the 21st June.

To receive all the latest news that will be taking place at Greenvale we need your email address on our records. Without this you will not receive all the latest school news.

Call into the school office if you haven't provided us with your email address.
