## Parent Copy

Dear Parents and Carers,

We are excited to be able to welcome you and your child to the world of Reading Eggs and Mathseeds!

We are providing access to the exciting online award-winning reading and maths programmes for children. These highly interactive and personalised learning journeys will build on your child's reading and maths skills at their own pace, on a fun and safe digital platform, whether it is on a desktop computer, laptop or tablet device.

We are currently trialling this with Year 1 and Year 2, with a view to rolling the program out to Reception at a later date.

We have spent time in school familiarising the children with the programmes, and getting them ready to begin.

Teachers will be able to monitor the children's progress, and may even set them tasks to complete.

We will be using this in school, as well as offering you access to the programmes at home.

To use Reading Eggs and Mathseeds at home, simply follow these steps:

Go to [app.readingeggs.com/login](https://app.readingeggs.com/login)

Enter your child's login details, attached to this letter. The login will give you access to both programmes.

If you have any problems or questions, please don't hesitate to get in touch.

Mrs Allnutt  
Headteacher
