

Greenvale Primary School

Evidencing the use of the PE and Sport Premium funding

The Department of Education's vision for the Primary PE and sport premium:

The [Education Inspection Framework](#) makes clear there will be a focus on

'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'

2022 – 2023 action plan

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity offer (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.
