Dear Parents and Carers,

We will be sending home your child's login details for Reading Eggs. This is an online reading app for the children to use at home.

Reading Eggs is available to use on a desktop or tablet device. Children can access a huge online library of over 2500 e-books to enjoy whenever they want!

Please remember – this is **FREE** for you to use – we have paid for a school subscription.

Please use the username and password that your child is bringing home today. To find the login page, type **app.readingeggs.com/login** into your web address bar. You will see this page:

If you search for Reading Eggs on Google you will be taken to the main site page, and should use the login button at the top.

The class teacher will monitor who is completing activities on Reading Eggs. This means that in our celebration assemblies on Friday we hand out certificates for those who have completed their reading, which the children love to receive.

We hope you will join us to encourage your child to read at home, be it a physical book or an e-book. You can also add Reading Eggs time to their reading records!

Kind regards,

Greenvale Primary School
