18th October 2024,

Dear Parents,

School Dinner Changes

We are writing to advise you of some changes to the school dinner process effective from the 4th November.

At this time, you are booking your child's school dinner via the Parentmail app, and this will continue.

The change will be that if you do not book a school dinner and your child doesn't bring a packed lunch to school, we will no longer be phoning for you to bring a lunch in for your child. They will be given only a Jacket Potato with a topping for their lunch and if you pay for school dinners this charge will be added to your Parentmail account.

Booking dinners online has been in place for a year, and we have informed parents on numerous occasions that dinners must be booked by midnight the night before, and the responsibility to book a dinner is with all parents, and not for the school to be checking and chasing.

There is a new dinner menu available on the school website to view for after half-term, this will also be on Parentmail for when you book your child's dinner choice.

Thank you for your co-operation.

Kind regards

Mrs Allnutt
Headteacher
