

Conversation Starters

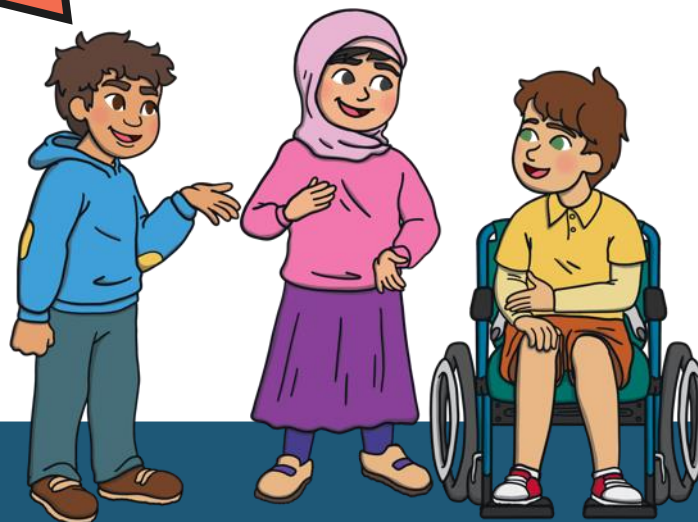

Let's Talk About It

Safer
Internet
Day 2023

Let's start
talking
about life
online.

What can you use
the Internet for?

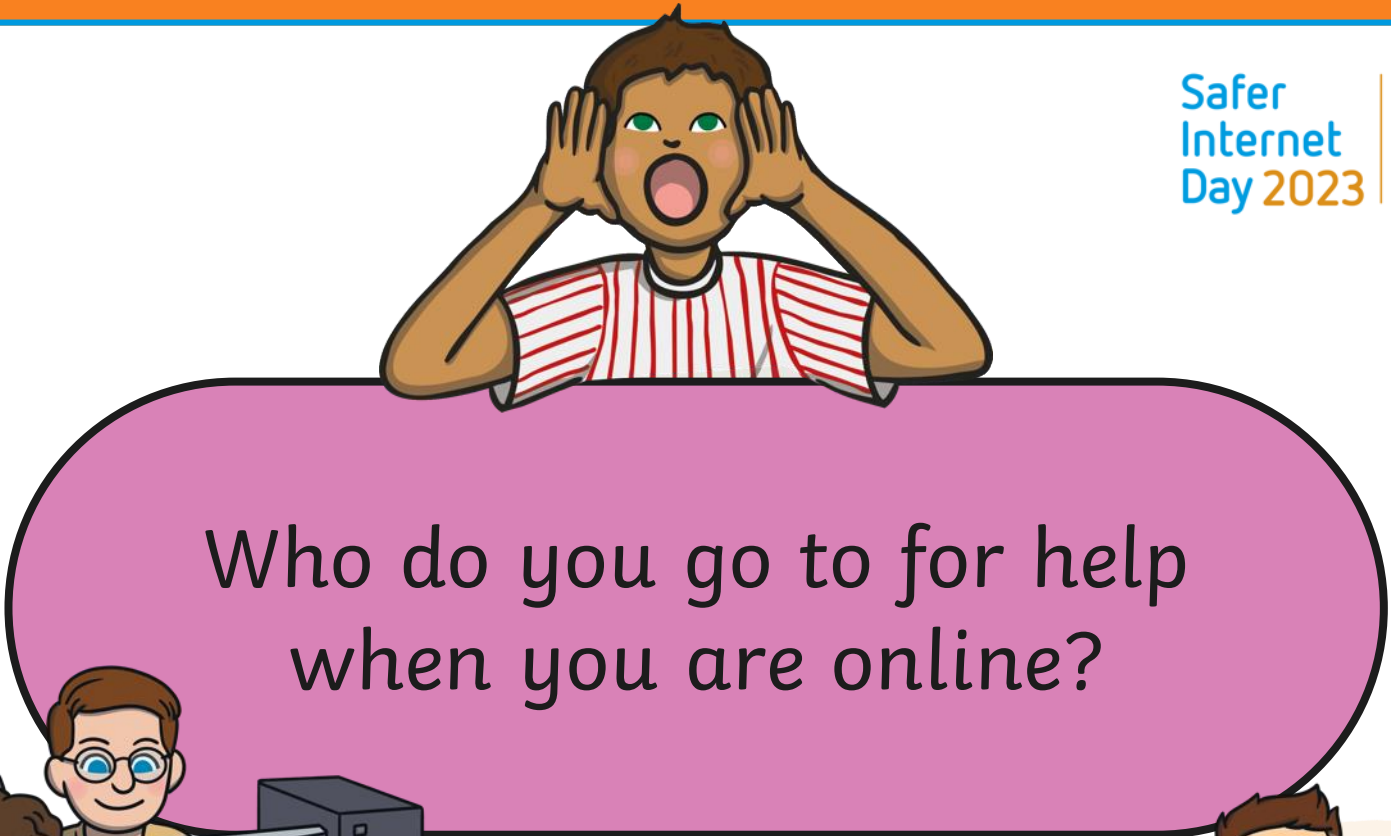

What is your favourite thing to
do using digital devices?

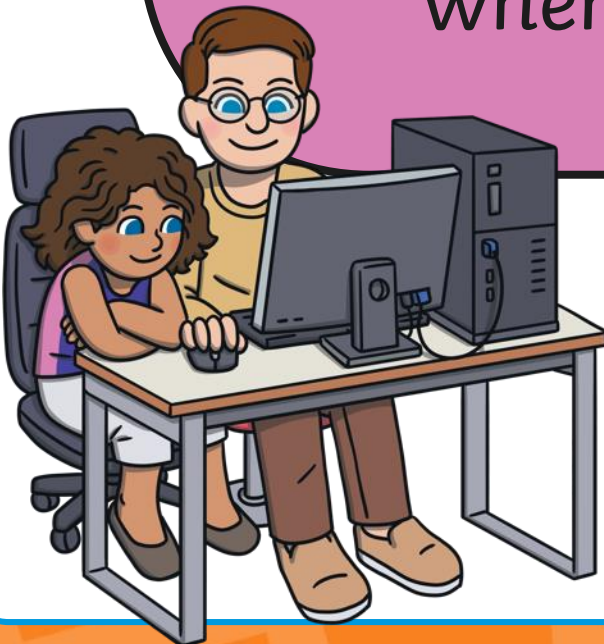

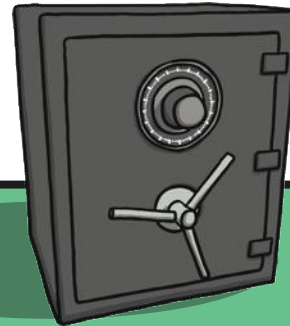

Is everything you see and
read online true?

Who do you go to for help
when you are online?

What information is safe to share online?

What should you do
if you see something
upsetting online?

What is online bullying?

UGLY

LOSER

How can you
stay safe online?
